# Everyday Materials to Celebrate a New Creation, Garden and or City of our Lord!

## Materials Needed:

- Coffee and or Tea
- Paintbrushes
- Markers and or Ball Point Pen
- White Copy Paper or Watercolor paper

**Summary:** Taking coffee and/or tea, spill some on the paper. Try to have no more than half the paper covered in coffee or tea. Using a paintbrush, use the coffee or tea like watercolor and make shapes that look like either plant(s) for a garden, buildings for a city and or both. Once dry, use your marker and or ballpoint pen to draw in details. See the video for more instruction.
