

THE VINE AND THE BRANCHES

SCRIPTURE READING

John 15:1-17

I WONDER

- I wonder if it was ever hard for Jesus' disciples to abide in his love?
- I wonder wonder what kind of fruit Jesus was thinking about when he was talking to his disciples?

DIGGING DEEPER

- What makes fruit "good" or "bad"?
 - What might be some bad fruit that could come from our lives?
 - What are examples of good fruit in our lives? (See Galatians 5:22-23)
 - What things can we put into our lives that are ways that help us produce good fruit? (e.g, being with God, going to church, fellowship, prayer, etc.)
 - What is the point of bearing good fruit? Do you think others can benefit from our bearing good fruit?
